

Assemblies

We deliver tailor made, interactive & interesting and most of all, enjoyable assemblies. This can include; Questions, Quizzes, Videos, activities, personal stories, time of reflection & upfront teaching.

Whether you give us a topic, or we come with our own. As Sutton Schools Work, we strive to deliver the best possible assemblies for your school. Some of the topics we have covered in the past are: *Friendship, helping others to achieve their goals, Love, Easter, Christmas, Trust* & many more!

Christian Unions

We run Christian Union groups, usually at lunchtimes or after school so that students within schools have a space where they feel welcome and accepted to explore Christianity and the Christian faith regardless of their own faith or belief.

We use this time to get to know students on more of a personal level by playing games, chatting & leading discussions. We look at lots of different topics that the young people request or Bible stories or modern issues from a Christian perspective.

RE Lessons

All of our lessons are designed to help young people explore the Christian faith, as well as it's morals, values & perspectives.

We can deliver any RE topics related to the Christian faith as well as current life issues or decisions. Some topics we have covered are: *Abraham (Choices), Sacrifice of Isaac (Testing of Faith), Science & Faith, Salvation, Core Christian Beliefs and Pilgrimage.*

We always work closely with the school to suit the requirements of the curriculum as well as the needs of the students.

We are now able to offer SRE Lessons for the PSHE/SRE provision to Schools. We have a number of volunteers (including Kate Travers, our secondary school's worker) who have been specifically trained to deliver these SRE lessons.

These lessons are interactive and provide a great opportunity for young people to take charge of their own learning. Lessons develop skills, challenge attitudes and values, and develop knowledge and understanding.

6th Form Conferences

6th Form Conferences are a way of fulfilling RE provision requirements in 6th Form. These conferences give a chance to explore a subject in more depth and include input that might not be possible in normal lessons.

Some topics we have covered in the past are; Body Image, Feminism & Human Trafficking.
